Library Mission

The Staffordville School Library serves approximately 190 Pre-K through first grade students. The library has over 4,000 holdings, consisting of books, videos, dvds, and periodicals. The mission of the library is to meet the informational, educational, and recreational needs of the students from Staffordville School. The goal of the library program is to develop lifelong learners by using technology, promoting resource based learning, developing information literacy skills, and fostering a love of reading. In order to achieve these goals the library is committed to working collaboratively with teachers to promote information literacy skills. The primary focus of the library's collection is to provide the most current resources to complement the curriculum.
